SUBJECT: Summer Food Service Program (SFSP) Reimbursement Rates for 2005

The United States Department of Agriculture (USDA) has published adjustments to the reimbursement rates for meals served in the Summer Food Service Program for Children. These adjustments for 2005 are based on the 3.2 percent increase in the food away from home series of the Consumer Price Index for All Urban Consumers for the period November 2003 through November 2004.

Enclosed is a copy of the 2005 SFSP reimbursement rates and an excerpt from the Federal Register 69 FR 78386.

These new rates took affect January 1, 2005 and will continue through December 31, 2005.

Please adjust your budget to reflect the new SFSP rates.
